## **PREFACE**

This Cumulative Supplement contains a codification of documents filed with the Division of the Federal Register during the period from June 2, 1938, to June 1, 1943, inclusive, which supplement the first edition of the Code of Federal Regulations and which were still in force and effect on June 1, 1943. This Supplement also presents an outline of the entire Code as it existed on June 1, 1943, with portions of the original edition of the Code which were still in force on the effective date hereof carried by reference only. Therefore, no section appearing in the original edition of the Code was in effect on June 1, 1943 unless included in this Supplement in the table of sections for the appropriate part.

This Supplement should be used not only in conjunction with the first edition of the Code of Federal Regulations, but also in conjunction with Supplements issued subsequent to June 1, 1943, and with the daily issues of the **FEDERAL REGISTER**.

Book 3 contains the codification of rules and regulations assigned to Titles 10 to 17, inclusive. A list of the agencies or departmental functions treated in any particular title appears in the table of contents for that title.

Authority for the issuance of the Cumulative Supplement is contained in the Act of December 10, 1942 (56 Stat. 1045; 44 U.S.C., Sup., 311a).
